Dual LTE&dual wifi Antenna, Large Coverage

Using SMA port, connect it as your need. 2 LTE full frequency antennas, 2 wifi omnidirectional high gain antennas, strong signal, cover large area.

Size & Interface

Outdoor 4G High Speed Network

150 Mbps	50 Mbps	300 Mbps
4G Downstream rate	4G upstream rate	WiFi wireless rate

Equipped with 4 antennas as standard, SMA port can also be connected to the corresponding antenna

4G LTE

Specification

Wi-Fi Transmission Standard	802.11n
Wire Transfer Rate	10/ 100Mbps
2.4G Wi-Fi Transmission Rate	WPA2-PSK, WPA2, WPA-PSK
Encryption Type	WPA2-PSK, WPA2, WPA-PSK
Function	FireWall, QoS, VPN, APN
Network mode	2G 3G 4G
WiFi	Support 32 wifi users
Antenna	3dbi
Interface	2 LAN
Speed	CAT4 150 Mbps Download / 50Mbps
Wireless Speed	2.4GHz 150Mbps
Power supply	DC 12V 1A
Operating temperature	-20 to 50° C
